VETUONGLAI BRAND BOOK V1.0

Defining the authentic Vietnamese digital experience.

Mission, Vision, and Tagline

Mission: Xây hệ sống minh bạch giúp người Việt sống thật.

Vision: Tương lai mà người ta đo lường cuộc đời bằng bằng chứng có thể xác minh.

Tagline: Sống thật — Làm thật — Tương lai thật.

Voice Attributes

Our voice is defined by the following five attributes:

- **Thật (Authentic):** Genuine, honest, and transparent in all communications.
- **Ấm (Warm):** Approachable, friendly, and empathetic. We foster a sense of community.
- **Thực tế (Pragmatic):** Grounded in reality, offering practical solutions and advice.
- **Tỉnh thức (Mindful):** Aware, conscious, and considerate in our interactions.
- **Có chủ đích (Purposeful):** Intentional and clear in our messaging, aligning with our mission and vision.

Logo System

The Vetuonglai logo system consists of five variants designed for diverse applications. [Placeholder for Logo Variants - to be visually represented]

Color Palette

Our primary color palette features a gradient that signifies growth and dynamism.

Primary Gradient:
![Gradient Swatch](#4ADE80 → #22D3EE → #818CF8)

Subdomain Accents: A set of 16 distinct accent colors to be used for specific subdomains and features, ensuring visual differentiation and brand consistency across the platform. [Placeholder for Accent Colors - to be visually represented]

Typography

Our typography stack is chosen for clarity, readability, and a modern aesthetic:

- **Headings:** Inter, Plus Jakarta Sans
- **Body Text:** Lora
- **Code/Technical:** JetBrains Mono

Spacing & Radius

Consistent spacing and subtle radius values contribute to our clean and organized design system.

- **Spacing:** Utilizes a base unit system for consistent padding and margins.
- **Radius:** Soft, rounded corners applied judiciously to elements for a gentle and approachable feel.

Brand Pillars

Pillar	Description	Application
Transparency	Openness in data and processes	Platform features, communication
Authenticity	Genuine user experiences	Content, community
Empowerment	Enabling users' growth	Tools, resources
Clarity	Simple and understandable information	UI/UX, messaging
Trust	Reliable and secure platform	Security, user data
Community	Fostering connection and support	Forums, groups
Verification	Data-backed insights	Reporting, analytics

Brand Red Lines (Don'ts)

To maintain brand integrity, we strictly avoid the following:

1. Misrepresenting information or data.
2. Using overly complex or jargon-filled language.
3. Creating a sense of exclusivity or inaccessibility.
4. Making unsubstantiated claims or promises.
5. Employing aggressive or manipulative marketing tactics.

Microcopy Library

Concise and impactful microcopy guides users and reinforces brand voice. Examples include:

- **Button Labels:** 'Save Changes', 'Learn More', 'Create Account'
- **Form Field Labels:** 'Full Name', 'Email Address', 'Password'
- **Error Messages:** 'Invalid email format.', 'Password too short.'
- **Success Messages:** 'Profile updated successfully.', 'Welcome aboard!'

Summary

This Brand Book outlines the core elements of the Vetuonglai brand, including its mission, vision, voice, visual identity, and principles. Adherence to these guidelines ensures a consistent and authentic brand experience across all touchpoints.
